AVID asistent s umělou inteligencí

A screenshot of the Avid MediaCentral software interface. The main window displays an AI chat interface with the text "Claudia Roth is the president of MediaCentral Moments". Below this, there are two panels: "Avid Ada Summary" and "Avid Ada Recommendations". The "Avid Ada Summary" panel shows a "COMPLETED" status and a detailed description of the Media Central Collaborate platform. The "Avid Ada Recommendations" panel displays a grid of video thumbnails with associated scores, such as 81.90%, 80.52%, 78.30%, 77.40%, 76.80%, and 75.20%. To the right, a video player shows a scene with a woman, identified as Claudia Roth, sitting at a table. The video player includes a progress bar and various playback controls.

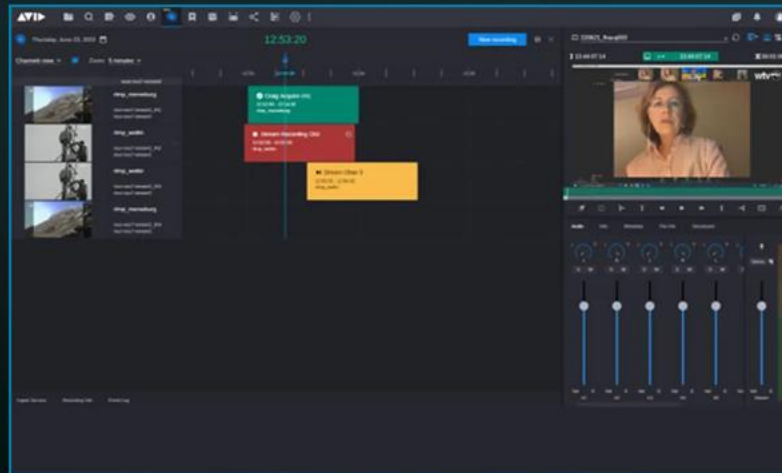

MediaCentral | Acquire

Preview, ovládání
a plánování ingestu
médií na dálku

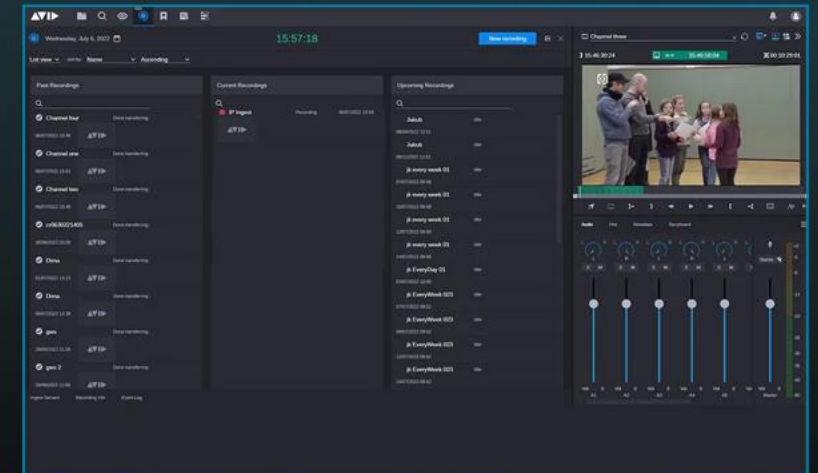

Avid MediaCentral | Acquire

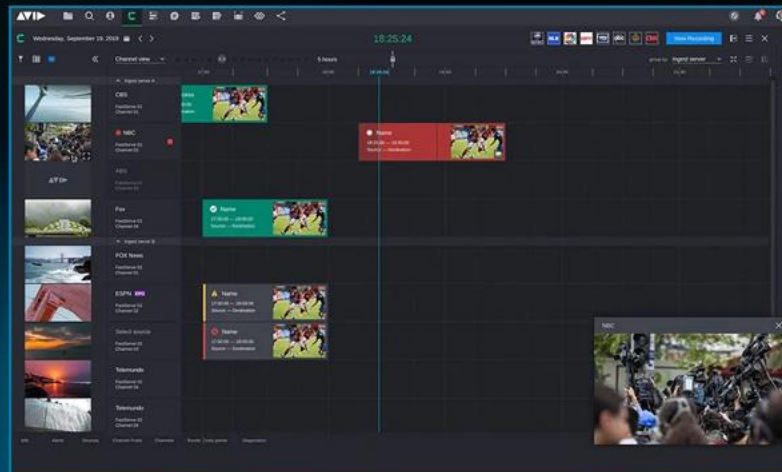

Umožní vzdálené plánování

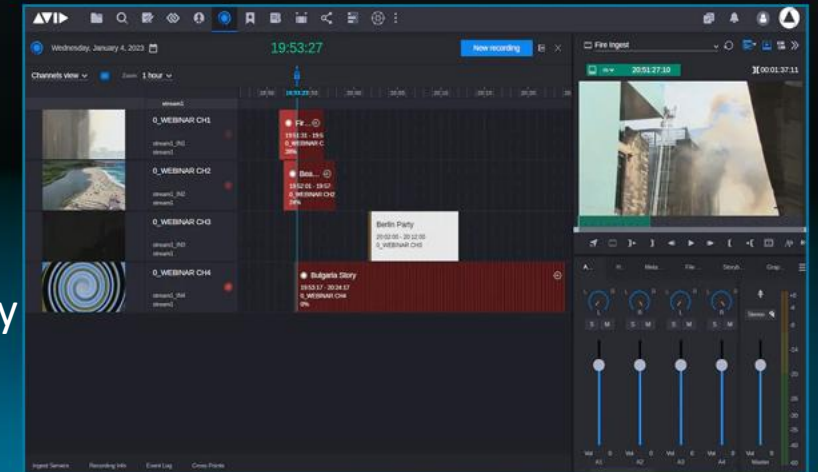

Naplní rostoucí poptávku po tvorbě obsahu

Propojí váš tým, ať je kdekoli

Zorganizuje pracovní postupy

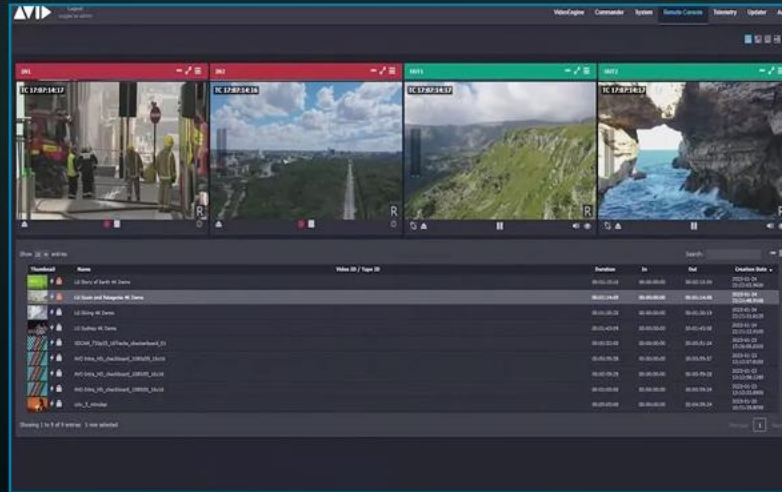

Avid | Stream IO

Ingest odkudkoliv, playout
kdekoliv

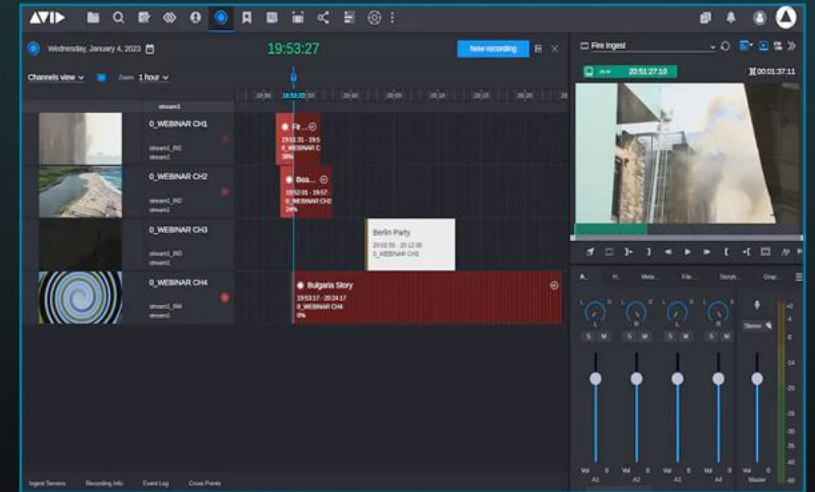

Avid | Stream IO

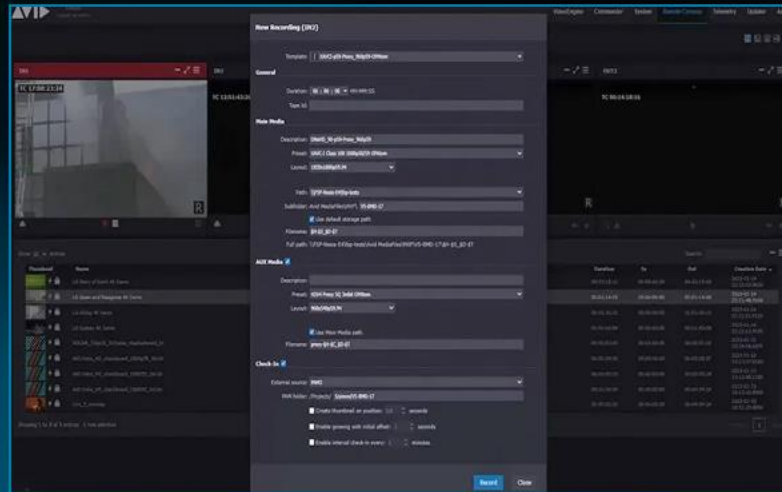

Podporuje jakoukoli kombinaci ingestu a playoutu

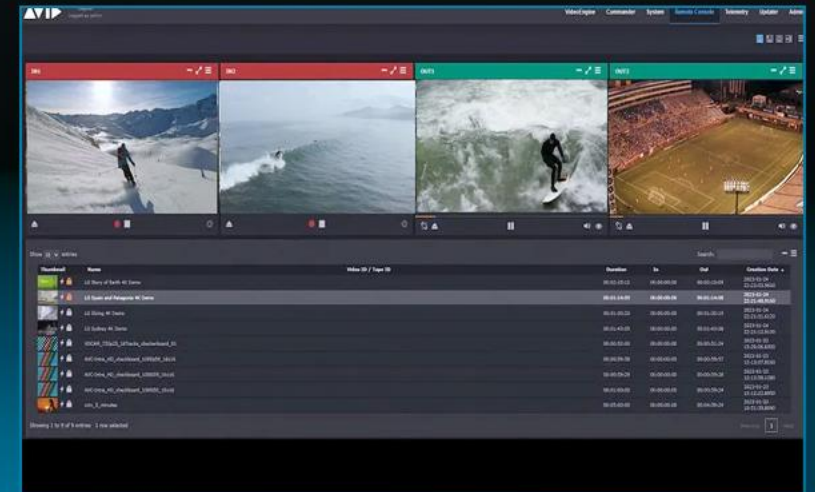

Zajistí rychlé zpracování

Přizpůsobí se vašemu použití

Viz Flowics

Nejkomplexnější cloudová HTML5 platforma pro grafiku

The screenshot displays the Viz Flowics software interface. At the top, there's a navigation bar with options like 'Full HD', 'Open Rundown Control', and 'Publish changes'. The main workspace is divided into several panels:

- Global Data Providers:** Lists various data sources like RSS, Weather, and Data Connector Provider.
- Scene:** Shows a central preview window with a scene layout. A 'Rich Presenter' element is visible, containing the text 'RICH Presenter' and a Vizrt logo.
- Elements:** A list of elements used in the scene, including Title, TitleR, Name, NameR, Logo, Rectangle, and another Rectangle.
- Overlay IN/OUT:** A timeline view showing the duration and animation type (e.g., 'Fade in', 'Slide from right') for each element.
- Right Panel:** A detailed control panel for the selected 'Rich Presenter' element, including options for text, formatting, position and size, appearance, and animation.

NDI.6[®]

Další krok v IP konektivitě.

NDI 6

Úchvatná úroveň kontrastu.

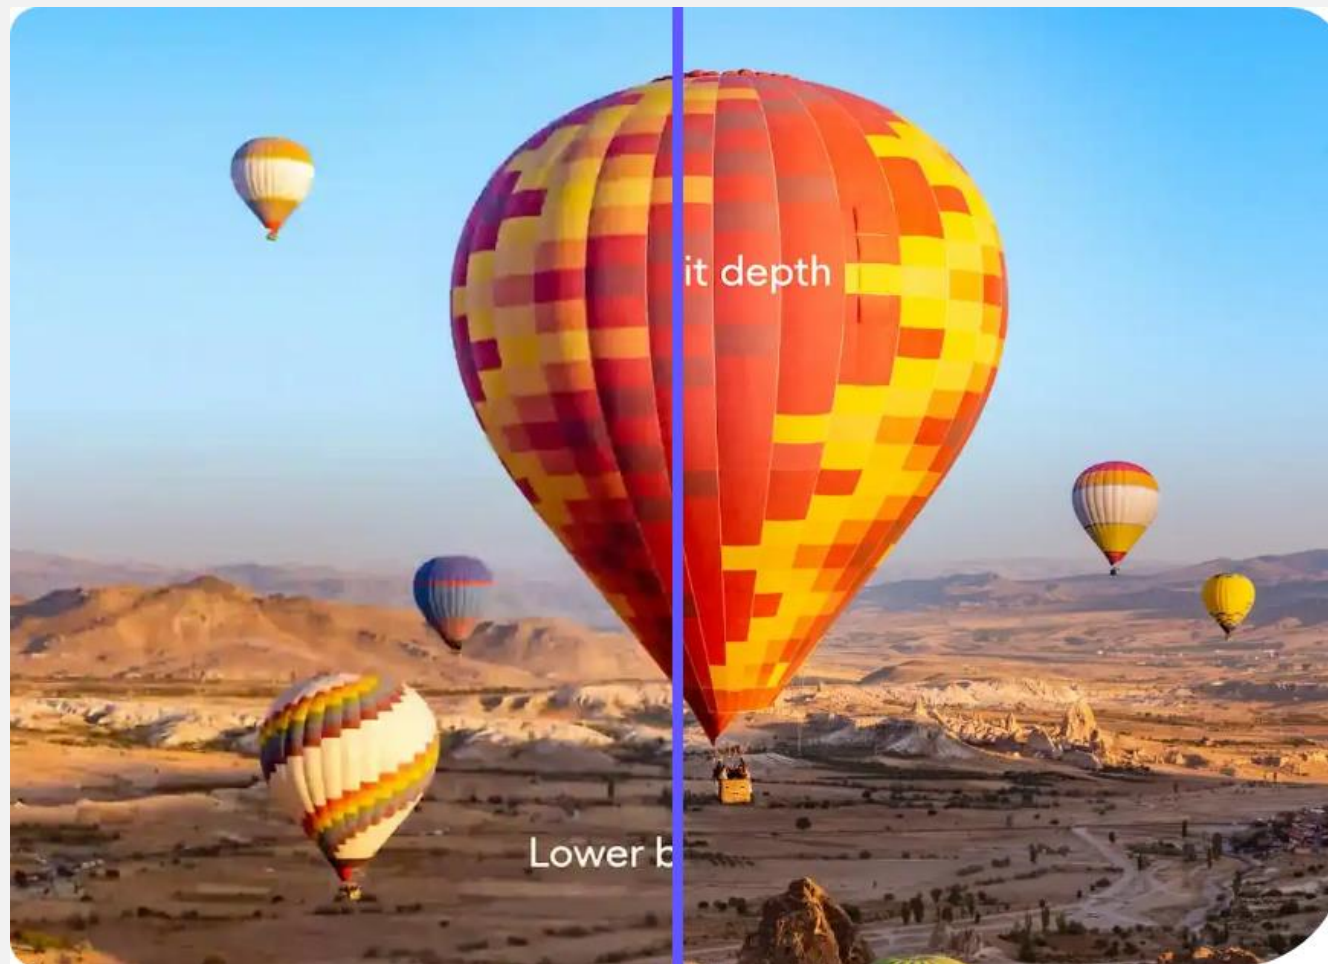

Rozšířený jas pro spektrální detaily

NDI 6

Nativní podpora 10+ bitové barevné hloubky.

Hladší přechody, bohatší textury a dokonalá
přesnost pixelů, to vše v reálném čase
